I had a small nuisance oil leak somewhere in the front of the 912-F3 (1100+ hours) in my Katana last summer. It was not enough to ground the airplane. The leak would not appear on full power ground run-up but only after flying. After many many hours of one-at-a-time removal of everything possible, including gearbox, inspection, re-installing, and test-flying, I found two leaks. One was the
